Welcome!

Before your first appointment, we would like to thank you for choosing Walton Dental Care for your dental needs. We are committed to providing you with quality and affordable dental care in a comfortable, caring setting.

We understand how precious your time is, so we have made available the New Patient forms for you to fill out and bring with you to your appointment. Children under age 18 need to be accompanied by their parent or legal guardian. If you have a list of your medications, please bring it with you and we would be happy to make a copy for you.

If you have had x-rays (Panorex or Full Mouth Series) taken within the last 5 years and/or you have had bitewing or individual periapical x-rays within 1 year please have your previous dentist forward the x-rays to our office. They may email them to waltondentalcare@gmail.com or send them by regular mail. It is very important that we have x-rays to do an exam. Depending on the x-ray/s, date taken and reason for your appointment, we may still have to take new x-ray/s.

We will be happy to file your insurance, if we are in your network or we are utilizing your out-of-network benefits. We do our best to help you with your insurance. However, ultimately it is your responsibility to know your insurance. We ask that you contact your dental insurance company to confirm your coverage and to discuss any concerns that you may have prior to your appointment.

Whether you have dental insurance or not, we believe finances should not interfere with dental treatment, so we provide options to help you. We accept cash, checks, MasterCard, Visa, Discover, and American Express. Outside financing is available through Citi Health or CareCredit.

**If you are not familiar with CareCredit, please visit CareCredit.com. It is an excellent medical/dental financing choice that gives you NO INTEREST options.*

Because this time has been reserved specifically to meet your needs, we thank you in advance for honoring your appointment. If you need to reschedule your appointment, please call us at least 48 hours prior to your visit to avoid a cancellation fee.

We very much appreciate your confidence in us and look forward to meeting with you!

Sincerely,

The Walton Dental Care Team
